

## Humboldt Broncos Bus Accident

The Saskatchewan College of Pharmacy Professionals would like to offer sincere condolences to the families, first responders and communities of those impacted by the Humboldt Broncos bus accident. We understand there were players from the Edmonton area, Slave Lake and Airdrie in Alberta, from Manitoba, and of course, from Saskatchewan. News reports also list the bus driver, two coaches, a radio announcer and a team statistician among the crash victims. This unthinkable tragedy weighs on all many communities, provinces, the hockey community and beyond.

Our SCPP members in the affected areas will likely know these families and will be feeling the grief and loss along with other community members. The College would like to thank each of you and all the medical professionals supporting and caring for the grieving families and communities during the most difficult circumstances imaginable. Our thoughts and prayers are with you all.
