RE: **University of Regina (U of R) Senate**

Dear Colleagues:

Bill Paterson has resigned as our Senate representative, and the University advises that his term expires June 30, 2020. This creates an opportunity to find a replacement for the unexpired portion of his eligibility.

As a member, if you are interested in sitting on the University of Regina Senate as a representative on behalf of SCPP please email me at jeana.wendel@saskpharm.ca and include a current C.V. or resume, and a short letter of interest by April 27, 2018. All applications will be provided to Council for their selection at our next Council meeting on May 11, 2018. The Senate is regularly meeting three times a year and at a minimum shall meet at least two times per year. Dates of the meetings will be set in advance by the Chancellor, in consultation with the President and Vice-Chancellor and Secretary. At least one meeting per year will be at the time of the Spring or Fall convocation ceremony.

Please see link detailing information regarding the Senate and its bylaws:

Thank you for considering our request and look forward to your reply.

Best wishes to everyone.

Jeana
