

From: VASR (HC)

Subject: Health Canada invitation - WebEx sessions : Veterinary Antimicrobial Sales Reporting (VASR) system

Dear Stakeholder,

Further to our efforts to implement the [sales reporting requirements](#) for veterinary antimicrobials, you are invited to a WebEx information session on the Veterinary Antimicrobial Sales Reporting (VASR) system developed by Health Canada and the Public Health Agency of Canada.

The session will be held on both Thursday February 14, and Friday February 15 from 12:30 pm - 2:00 pm (ET), and you may participate on either date.

The objective of the information session is to introduce you to the functionality of the VASR system, and provide an opportunity to ask questions.

We will record these sessions for future reference and for anyone not able to attend.

How to register:

To register for the upcoming WebEx session, please find below the WebEx link where you can select your preferred date to be able to join the session.

Once you have registered, you will receive an invitation to the WebEx meeting on the date you have chosen. The invitation will be sent to the email address you have registered with.
